262 VOTES CAST

QUIETEST ELECTION IN YEARS HELD TUESDAY.

TAX LEVY WAS CARRIED

171 For to 68 Against—Only One Vote Cast in City Against Non-Partisan Ticket.

The city and school election Tuesday was the quietest one that has ever been held in Maryville in recent years. The total number of votes cast was 262, while the total vote for the school ticket was 246. The vote for the usual school levy was 171 and the vote against it was 68. For members of the school board, James B. Robinson and J. R. Brink had no opposition and their total vote was: Robinson 246, Brink 244.

For alderman in the First ward, Mose Hahn was elected, and there was not a single vote against him. In the Second ward, J. D. Ford was elected, not a vote being cast against him. In the Third ward, John Gray received all of the votes cast in the ward. In the Fourth ward, Louis Gram received 100 votes, while Pat Dougan received 1 vote. The newly elected aldermen will take their places at the regular meeting of the council in May. The vote by wards follows:

A Correction.

A mistake was made in Monday's Democrat-Forum, when the statement was made that Evangelist Joe Jacobs is not an ordained minister. The reporter had a wrong impression of Rev. Jacobs' work, having understood that he was a business man, who gave up his work to assist in carrying out the work of the Baptist Publication society, which is partly true. Rev. Jacobs gave up his work as a traveling salesman about twenty years ago and was ordained as a minister. He preached as pastor at Evansville, Ind., before taking up the work of chapel car evangelist, and is regarded as one of the best evangelists in the Baptist denomination.

Miss Ruby Lorance returned to her school work at Plattsburg Tuesday after a short visit with her parents, Mr. and Mrs. J. A. Lorance, which she made during the spring school election.

TO GO TO GETTYSBURG.

State Will Pay Transportation of Civil War Veterans to That Place in July.

The state will pay the transportation of civil war veterans to Gettysburg and return next July, and Adjutant General John B. O'Meara has named Col. Thomas B. Rodgers of St. Louis to act with General W. T. Towson on the board to pass on the qualifications of these civil war veterans.

The legislature passed the bill introduced by General Tawson of Shelby county, appropriating $15,000 for this purpose. The occasion for which the trip will be made is the fiftieth anniversary and peace jubilee of all soldiers who participated in the battle of Gettysburg July 1, 2 and 3, 1863.

It is estimated there are about 500 veterans living in Missouri who participated in the battle and who will require financial aid if they go to Gettysburg. No part of the Missouri army took part in the battle, which was between the armies of the Potomac on the north and northern Virginia on the south.

Many, however, since have come to live in Missouri. Some are able to pay their own way, and these the state will not aid. Almost every state in the Union has made similar appropriations for the celebration. The federal government subscribed $150,000 and Pennsylvania $250,000.

Of the 500 expected to go from Missouri, about fifty will be ex-confederates and the rest northern soldiers. General Towson was a confederate and Colonel Rodgers was a northern soldier.

DO NOT EAT TOO MUCH.

It is a Well Established Fact That the Majority of People Eat Too Much.

In the April Woman's Home Companion apepars an interesting article entitled "A Healthy Mind in a Healthy Body." Following is an extract

"It is a well established fact that the majority of people eat too much. They take more food, especially with under-exercise, than the body can assimilate, and the result is superfluous fatty deposits. This is especially true around the middle age, when the body is no longer growing, and hence does not require the amount of food it required when the process of growth as well as of waste was going on. The result is the taking on of superfluous flesh, the tendency to exercise still less, degeneration of the heart muscles, hence impaired breathing, which deprives the body of one of its greatest sources of strength and energy.

"An abundance of pure air with full deep breathing, and especially out-of-door air, is one of the first essentials of sound health and of unimpaired vitality. If this can be combined with adequate daily exercise in the open, whether it take the form of work or of play, and if the exercise is as simple even as that of walking, so that it is done regularly and with the right spirit and purpose back of it—an alert and purposeful mind—so much the better.

"Sleep is nature's great restorer—one of the great rebuilders of both mind and body. When we rob them of their required amount, we are thereby contracting bills that will present themselves for settlement sooner or later, but without fail. It may seem for a while that no account is being kept—but believe me, it is."

STREETS ARE CLEAN

MARYVILLE DOING HER SPRING HOUSE CLEANING.

THE ALLEYS ARE NEXT

In Addition to Having Dirt Hauled Off, Paving is to Be Washed—Householders Must Clean Up.

The streets and alleys of the city are being cleaned, and within the next few days all of the streets and alleys will be washed with city water. The street commissioner, M. I. Woods with a gang of thirteen men and twelve teams, have gone over all of the paved streets and have hauled away the mud and other trash. Now the street commissioner is cleaning up the alleys.

When this work is done Street Commissioner Woods thinks Maryville will be as clean as any town. He would like to see the property owners clean up their places so Maryville would be as "spotless" as possible.

For some time there has been complaint that the streets and alleys were dirty and more so than you could find elsewhere. But Mr. Woods says that when the present work of cleaning up is finished that Maryville streets will be far ahead of the streets in other places.

It is hoped that the city will keep up their good intention of cleaning the streets and alleys once in a while, as there is nothing better than clean streets.

Mayor A. S. Robey said Wednesday that all persons caught piling rubbish leaves, litter and all refuse material in the streets and alleys of the city are liable to a fine or jail sentence, according to the provisions of a city ordinance. And the city is going to enforce this ordinance, Mayor Robey said.

SOIL SURVEY IN NODAWAY.

A Number of Counties Will Be Surveyed During the Coming Summer.

The University Missourian at Columbia had the following in Tuesday's issue:

The United States department of agriculture will issue a report in the near future on a soil survey of Franklin county, made by the bureau of soils in co-operation with the college of agriculture of the University of Missouri.

The purpose of the soil survey work is to establish the identity, location and extent of the various types of soils in the county, that recommendations as to the best methods of soil management and crop rotation to be practiced on each type of soil to get the best returns, may be made. The report treats on the soils of the county in general, the climate, rainfall and drainage and transportation facilities. Surveys will be made in Nodaway, Ralls and Perry counties the next summer. A. T. Sweet and W. B. Tillman of the United States governmnt service will be in charge of the work in Ralls and Perry counties. H. H. Krusekopf of the college of agriculture will work in Green county. A number of students of the college of agriculture will be chosen as assistants in the soil survey work.

Survey of about thirty counties in Missouri have been made. After these are made the agronomy department takes charge of experimental work in some of the counties.

After next summer the soils of the counties in the southeastern part of the state will be made.

Oil and Gas Near Parnell?

L. B. Cramer, Marietta, O., is at Parnell to get leases on land in that vicinity for the purpose of boring for oil and gas. He asks no bonus. The company he represents will put all the machinery on the ground and do the boring, and should oil or gas be struck the owners of the land will be given the regular rates for leases. He has been in the business for a number of years and he thinks there is oil and gas in that vicinity. He is working in the interest of a Pittsburgh, Pa., company.

Seasonable Dont's.

Don't let a fly escape you; catch it by fly paper, liquid poison, trap or swatting.

Don't allow flies in your house; screen your windows and doors early.

Don't buy food where flies are tolerated, especially milk.

Don't permit flies in the sickroom, especially where the patient is ill of fever, diphtheria or tuberculosis.—Kansas City Star.

Mr. and Mrs. Joseph Stuckle of St. Joseph were Maryville business visitors Tuesday.

Mrs. Rhoda Cain went to St. Joseph Tuesday evening, called by the critical illness of her daughter, Mrs. Charles Heflin.

SOLD THREE AUTOS.

Mason & Wilderman Disposed of Three Studebaker Machines—One to Rev. Gilbert S. Cox.

Mason & Wilderman sold this week three automobiles. E. S. Cook purchased a Studebaker roadster; Rev. Gilbert S. Cox of the First M. E. church, a Studebaker touring car; and Elmer Rinehart, a Studebaker touring car.

WABASH MAN HERE.

Looking Over Ground for a New Water Tank at This Station.

J. G. Phillips, an engineer of the Wabash, was in Maryville Wednesday, looking over conditions and the ground for a new water tank for the railroad at this point. The present tank is insufficient. Mr. Phillips was the guest of E. L. Ferritor, agent of the Wabash here.

HAS A FORD AUTO.

J. F. Hull of the Tribune the Latest One to Joint the Auto Ranks.

J. F. Hull of the Tribune is now an autoist, having purchased a Ford automobile. Mr. Hull bought a Buick auto a week or so ago and traded it off for a Ford auto, a 1912 model, on Monday. There are not many editors in the state that have automobiles and we congratulate Mr. Hull on being one of them that now can take "joy-rides."

HELD ELECTION.

James Strickler and Wm. Hinton Elected to the 102 Drainage Board.

At an election held Tuesday at the Pickering 102 river bridge, James Strickler and Wm. Hinton were elected as members of the board of directors of the 102 drainage district. The other members of the board are Anderson Craig of this city, J. C. Pistole of Hopkins, and H. H. McClurg of Pickering.

Saw a Part of the Tornado.

Mr. and Mrs. W. H. Chaney of Hopkins were in Maryville Tuesday, returning home from a visit with relatives and friends at Barnston, Beatrice and Lincoln, Neb., and Atchison, Kan. The visitors were in Barnston at the time of the tornado that swept Nebraska towns and a part of Omaha. Although Barnston did not suffer as other towns nearby, the storm was severe enough to thoroughly frighten the people and many a door and window on the storm side was kept in place by strong bracing on the inside.

Mrs. J. E. Babb returned to her home in St. Joseph Tuesday evening, after a few days' visit with her parents, Mr. and Mrs. William Mann.

Mrs. C. J. Caldwell of Burlington Junction was in Maryville shopping Tuesday.

OUT OF BUSINESS

INSURANCE COMPANIES WILL RETALIATE ON STATE.

LEAVES THEM UP IN AIR

New Laws Affecting Insurance Rates Not Satisfactory to Companies—They Will Withdraw.

Representatives of fire insurance companies in Missouri met at Chicago yesterday and recommendd a suspension of business in this state until legal basis of their operation can be determined. The fire insurance men asserted that the repeal of the Oliver state rating law by the Missouri legislature and the passage of an amendment to the anti-trust law relating to fire insurance had renderd the status of the business uncertain in the state.

The attorney general of Missouri announced that unless the fire insurance companies immediately reduce their rates in accordance with the law he would begin criminal proceedings against them. The insurance men declared the new law is unduly severe and that an understanding must be reached under which they can do business or their withdrawal from the state will result.

TWENTY-NINE IN MARCH.

Last Month Marriage Licenses Greater Than For March in 1912 and 1911.

There were twenty-nine marriage licenses issued during March by Recorder J. Arthur Wray, For March, 1912, there were twenty-three, and for March, 1911, there were twenty-one. The month of April is starting off well as four licenses were issued on the first day of the month.

Visited New Niece.

Moving to Texas.

Mr. and Mrs. D. H. White and daughter left Tuesday evening for Harlengin, Texas, to make their home. Mr. White has purchased a farm near Harlengin.

No Place Like Missouri.

We often hear about Missourians leaving for other regions, but we seldom learn what they really think after they have become acquainted with their new homes. A former Missourian who has moved to California writes the Missouri Ruralist: "I can't see that they make any more on their orchards than the farmer when you take into consideration the interest on the valuation of from $1,500 to $2,500 per acre, beside the great expense in irrigating, tending and picking, yet that is all the land is good for. If this same land laid in Missouri and was government land one-half of it would not be filed on as it is worthless without water on it. I do not want any orange or lemon orchard. I want to see some Missouri snow. Outside of the climate, which is truly great here, I can find nothing unless it is the fine roads here that would make me want to stay."

A Convenience to the Girl.

In an article entitled "The Social Problems of a Girl," in the April Woman's Home Companion—an article filled with practical suggestions—appears the following:

"The telephone has introduced a new element into calling. Nowadays a man does not usually take his chance of finding a girl at home as he had to do in former times, but calls her up to know if she will be able to receive him on a particular evening. This provides a way of escape for the girl which was unknown to women of an earlier generation, and makes it possible for her to adjust her callers to her convenience instead of taking them as they come. A girl is free to say that she can or cannot see a man at the date he names and to fix a time when she will be at home to him."

Here From Kansas City.

Mrs. J. O. Hiatt of Kansas City arrived Wednesday on a visit to her parents, Mr. and Mrs. Lemuel Woodworth.

Mrs. G. H. Leech and son, Kenneth, went to Pickering Tuesday to visit Dr. Leech's parents, Mr. and Mrs. C. B. Leech.

THE OWLS HAD BIG TIME.

A Big Rally Held in Their New Quarters Tuesday Night—Eighty New Members Initiated.

The Owls had a big time Tuesday night as it was their first meeting night in their new quarters in the old skating rink. The room has been fitted up nicely. Over eighty new members were initiated and after the lodge, a wrestling match was put on by Steve Viles and Robert Darling. Viles won the two falls. After the match, a banquet was served, there being about 300 diners in attendance.

NEW PAPER AT CLEARMONT.

The Ledger, Which Suspended Publication, to Be Started Again.

The Clearmont Ledger, which suspended publication a few weeks ago, is to be re-established and the first paper will be issued Friday. The new owner and editor of the paper is J. T. Boyd, who has been in the newspaper business for twenty years. Rev. C. H. Owens, pastor of the Baptist church at Clearmont, was the editor of the paper up to the time it suspended publication.

SPRING IS HERE

ITS HARBINGER CAN BE FOUND AT NORMAL.

BASKET BALL SHELVED

Base Ball and Tennis Hold Affections of Athletes—New Courts to Be Laid Out.

With the coming of the "balmy spring days" the students at the Normal who are athletically inclined have forsaken the gymnasiums for recreation in the open air. Base ball practice was inaugurated Monday afternoon and Wednesday morning about three dozen people, including both students and members of the faculty, met and organized a lawn tennis association. Fred Hutchinson was elected president and Miss Francyl Rickenbrode was elected secretary-treasurer.

Only one outdoor court is available at the present time, but a committee has been appointed to arrange for several new courts. There is room in the girl's gymnasium for a near-regulation court, and several of the more radical fans have been playing there for the past two weeks. Later in the season a tournament to determine the champions in both singles and doubles will be staged.

BIBLE IS TRUTH.

Eloquent Sermon at M. E. Church, With Truth of Bible as Groundwork For Faith.

The sermon at the M. E. church in part last night was.

Text, "Thy word is Truth"—John 17:17.

I God's word is truth, there are several important implications. It will abide and we need not fear the researches of modern scholarship. Things will remain not simply because they are in the Bible, but because they are the truth.

Those who possess this truth ought to be enthusiastic in its extension. If those who have a half truth are so energetic how much more ought we who have the truth of Christ in our hearts to tell our story.

Men ought to obey the truth. Your house will stand the test of time if it is built upon the solid rock of truth. But build it upon the shifting sands of falsehood and error and the floods and the winds beating upon that structure will cause it to fall.

The evangelistic services are beginning to bear visible fruit in the homes of the church and in the addition of some to His kingdom. These are days of prayer, testimony and thinking on the part of those who are attending, and such devotion cannot go unrewarded.

Services at 7:30 tonight. You are cordially invited.

Mrs. Sarah Lambert of Bedford, Ia., was in Maryville Tuesday on her way to Parnell to attend the funeral of her brother, George Hanks, who was killed by a hay baler at Adair, Ia., Saturday.

Mrs. John Messbarger and son of Burlington Junction spent the day Tuesday in Maryville with her sister, Miss Frances Berg, who is attending the dressmaking school.

Mrs. Peter Michaelson of near Maryville went to Arkoe Tuesday to visit friends a few days.

EXPRESS COMPANIES HIT

Suffer Loss of 25 Per Cent From Parcel Post Rates.

Washington, April 2.—Express companies of the country have been hit hard by the operation of the new parcel post system, according to statements submitted to the interstate commerce commission by counsel for the companies in their final arguments against the reduction on express rates proposed by the commission. It was declared that the companies have suffered a loss approximating 26 per cent on small package business and about 6 per cent of the gross revenues of the company.

Walker D. Hines asserted that for the five companies he represented—the Adams, American, United States Southern and Wells Fargo—application of the proposed rates to present business would reduce revenues about $26,000,000 a year, or 5.85 cents on every dollar's worth of business done. Such a reduction in revenues, he said would be absolutely destructive.

B. F. Fairchild of the New York chamber of commerce attacked Mr Hines' argument as "purely theoretical and hypothetical" and insisted that the proposed rates would yield an ample revenue to the express companies.

He maintained also that the present allowances made by the express companies to the railroads for transportation service were excessive.

Bryan Abolishes Overtime Work.

Washington, April 2.—Elevator operators in the state department no longer will be compelled to remain on duty overtime while the secretary of state is in the building. Secretary Bryan believes that when an elevator conductor has worked eight hours it is about time for him to quit for the day. Incidentally he is of the opinion that walking down a double flight of stairs will work no great hardship on any governmental official.

Hyomei Inhaler For Catarrh? If You Own One

Then you ought to know that druggists everywhere will hand you a bottle of Booth's HYOMEI for only 50 cents. Pour a few drops of HYOMEI into the inhaler and start this very day to breathe the healing Balsamic vapor and destroy the Catarrh germs.

With every package of Booth's HYOMEI comes a little booklet which explains how easy it is to end the misery of Catarrh and Croup. It is made of Australian Eucalyptus and contains no harmful drug.

But best of all Orear-Henry Drug Co. are authorized to refund your money if you are dissatisfied. If you haven't the HYOMEI inhaler ask for the complete outfit, $1.00. Just breathe it—no stomach dosing.—Advertisement.

This banquet is the formal opening event to the unveiling of the pony express monument, which will take place Thursday morning at 10 o'clock. Several distinguished men and women will be present on that occasion, among whom are Governor Elliott W. Major of Missouri, Judge John Phillips and Congressman W. P Borland of Kansas City. The children of the founders of the express, Mrs. Martha Simpson and Mrs. William Barton, both of Kansas City, will be present. Mrs. George B. MacFarland of Columbia, state regent of the D. A. R., who visited Maryville at the time of the organization of the local chapter, will be another of the honor guests. On Thursday afternoon the same company will attend the willow pattern plate tea to be given by the regent of the St. Joseph chapter, Mrs. W. B. Norris, at her home. A feature of the unveiling ceremonies will be a chorus of 100 school children who will sing "Missouri," the words written by Mrs. A. L. Loving and set to music by Sidney F. Collins. Congressman Borland will speak at the unveiling ceremonies. He is remembered for his famous speech on "Missouri, the Mother of Empires," delivered before the house of representatives in May, 1911.

YOU'VE noticed that we use the word "values" a good deal; the thing it stands for is the foundation of this business. It isn't so much the prices here; they're a good deal like prices anywhere; it's the values you get for the prices that we're diligent in working for.

And let us tell you something---if the good judges of values in clothes in this town once got an idea of the *values* in this store, we'd have to have police here to keep the crowds in order.

The Young Men Have Been the Object of a Lot of Special Attention—We've assembled finer Clothes than ever for them—Lively, "gingery," snappy effects balanced by good taste and dignity. Wonderful values, all of them--in Norfolk and 2 and 3-button Sacks--$12.50, $15, $18, $20, up to $25.

Friedmann's Cure for Tuberculosis Not Ready for Distribution.

New York, April 2.—The method of distributing Dr. Friedmann's vaccine for tuberculosis will not be taken up—if it is taken up at all—until the approval of the United States government is secured, according to announcement made in Dr. Friedmann's behalf.

"It is hardly probable," continued Dr. M. A. Sturm, Dr. Friedmann's assistant, who made the announcement, "that such approval will be had for several months—until the issuance of the government's report, based on the observations of the government's experts who have given their undivided attention to the matter."

St. Louis Man Charged With Murder.

St. Louis, April 2.—Thomas Noonan of the fashionable west end residence district was arrested in connection with the murder of Emmet Carroll, known to the police as a member of the "bottoms gang," Carroll was lifted from an automobile shortly before midnight and left on the street, dying later from the effects of a bullet wound in the chest. The police found a blood stained, abandoned automobile at Jefferson and Cass avenue. The automobile bore the license number that had been issued to Noonan.

For Dyspepsia

If you suffer Stomach Trouble; and you try our remedy, it won't cost you a cent if it fails.

To prove to you that indigestion and dyspepsia can be thoroughly relieved and that Rexall Dyspepsia Tablets will do it, we will furnish the medicine absolutely free if it fails to give you satisfaction.

The remarkable success of Rexall Dyspepsia Tablets is due to the high degree of scientific skill used in devising their formula as well as to the care exercised in their manufacture, whereby the well-known properties of Bismuth-Subnitrate and Pepsin have been properly combined with Carminatives and other agents.

Bismuth-Subnitrate and Pepsin are constantly employed and recognized by the entire medical profession as invaluable in the treatment of indigestion and dyspepsia. Their proper combination makes a remedy invaluable for stomach relief.

We are so certain that there is nothing so good for stomach ills as Rexall Dyspepsia Tablets that we urge you to try them at our risk. Three sizes, 25 cents, 50 cents, and $1.00.

You can buy Rexall Dyspepsia Tablets in this community only at our store:

CAIRO STILL FEARS FLOOD

Pressure on Levee Has Been Slightly Released.

BIG FOUR EMBANKMENT OPEN

Drainage District Opened to Flood Will Fill to Ten or Twenty Feet and Cover Seven Thousand Acres. Watching for Crest.

Cairo, Ill., April 2.—News that the Big Four levee in the drainage district north of Cairo had gone out brought no alarm here, but great anxiety is felt over the fate of the levees which protect the city proper when the crest of the Ohio river flood reaches Cairo.

The opening in the Big Four embankment is about fifteen feet wide, and the drainage district 'certainly will fill to a depth of from ten to twenty feet. The drainage district comprises about 7,000 acres, in which are located many big manufacturing, mail order and lumber distributing plants. The territory was flooded last year [illegible] loss by the present flood, it is said, will not exceed $1,000,000.

[illegible] flood. Future City, with a negro population of 1,500, was inundated. Many of the houses there have been unoccupied since that time and those who continued to live in the district had ample warning. It required twenty-four hours of the flood waters to fill the district last year through a break 300 feet wide, and it is estimated that the district will not fill up for more than two days if the present break is not widened.

The break will stop traffic on the Big Four railroad, as the Big Four tracks run along the top of the levee

Watching for Crest.

The time when the flood crest will reach Cairo has not been definitely determined. The river gauge showed a stage of 53.8 feet, with the water still rising.

A weak spot was found just above Eighth street by District Superintendent Moore of the Mobile and Ohio railroad. A troop train and a passenger train were held up for more than an hour, while the place was bolstered with sand bags.

Many carloads of sand and clay have been used to strengthen the embankments and it is believed the levee in front of the business district is about as secure as it can be made. The city is virtually under military rule. Soldiers are patroling the streets and requiring all negro men who appear to have nothing to do to give satisfactory account of themselves.

With the flood waters of the Ohio close to the fifty-four-foot stage Colonel Moriarity, in command of the Illinois state troops here, took steps to protect the lives of women and children still remaining in Cairo. Sufficient river steamers have been assembled to care for all of them, it is believed. Many trainloads of refugees already have left and many have been taken to Wyckliff, Ky., on steamers. Those who remain either are poor people unable to purchase tickets to points of safety or old residents who have implicit confidence in the stability of the levees.

DAYTON IS SHORT OF FOOD

Committee Still Feeding Over Thirty Thousand Daily.

Dayton, O., April 2.—The food supply in Dayton has been overestimated according to reports received from relief stations scattered over the city. John H. Patterson, president of the relief committee, wired Secretary of War Garrison that the food situation was much worse than had been anticipated and that the committee would look to the national government for supplies.

It is estimated between 30,000 and 40,000 refugees are being fed daily. Provisions must be received in the stricken city today or suffering will follow, officials say.

Tennessee Assembly Without Quorum

Nashville, Tenn., April 2.—With a large colony of its membership at points outside the state, the Tennessee house of representatives met and adjourned without a roll call until later. A count showed sixty-one members present, five short of a quorum. Until a quorum is restored there can be no legislation. Amendment to the election laws giving the machinery into the hands of the regular Democrats is the cause of the hegira of the thirty odd Republicans and independent Democrats.

Floods in North Dakota.

Bismarck, N. D., April 2.—Great damage is being done by floods along the Cannon Ball river, in southwestern North Dakota. Railway bridges at Rogent and New England have been washed away and dynamite is being used at Mott to break up the ice in the hope that it will not dam the water there.

Mrs. Gerhart Commits Suicide.

St. Louis, April 2.—Mrs. Julia McFarland Gerhart, divorced wife of Charles B. Gerhart, brother of Frank H. Gerhart, Progressive candidate for mayor of St. Louis, committed suicide at the home of Mrs. Adeline Cox. Mrs. Cox announced that after her divorce Mrs. Gerhart married a negro.

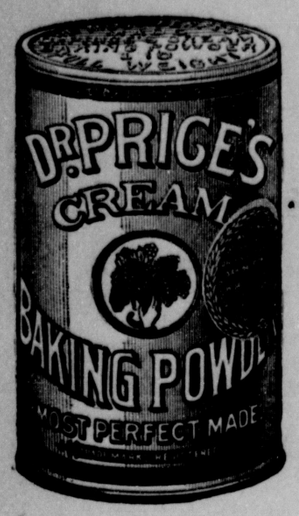
DR. PRICE'S Cream Baking Powder



A PURE CREAM OF TARTAR POWDER

Approved by physicians and by food officials, both State and National. Awarded highest honors by the great World's Expositions, and proved of superior strength and purity by the official tests.

No Alum—No Lime Phosphate

As every effort is made in the advertisements of the cheap baking powders to conceal the fact that they are made from alum, consumers must READ THE INGREDIENT CLAUSE UPON THE LABEL on the can and never buy unless it shows cream of tartar.

(OFFICIAL)

"In view of the overwhelming mass of evidence antagonistic to alum, it is recommended that its use in baking powders be prohibited by law."

COD LIVER OIL AND IRON.

Two Most World-Famed Tonics Combined in Vinol.

Cod liver Oil and Iron have proved to be the two most successful tonics the world has ever known—iron for the blood and the medicinal curative elements of cod liver oil as a strength and tissue builder for body and nerves, and for the successful treatment of throat and lung troubles.

Two eminent French chemists discovered a method of separating the curative medicinal elements of the cods' livers from the oil or grease which is thrown away, but to these medicinal elements ,tonic iron is now added, thus combining in Vinol the two most world famed tonics.

As a body-builder and strength creator for weak, run-down people, for feeble old people, delicate children, to restore strength after sickness; and for chonic coughs, colds or bronchitis or pulmonary troubles.

We ask you to try Vinol with the understanding that your money will be returned if it does not help you. Orear-Henry Drug Co., Maryville, Mo.—Advertisement.

SCANDAL IN NEW YORK STATE

Governor Demands Resignation of Senator Stillwell.

SAYS HE ASKED FOR BRIBE.

State Senator Is Accused by President of New York Bank Note Company. Stillwell Denies the Charge Specifically.

Albany, N. Y., April 2.—Governor Sulzer made a demand upon State Senator Stephen J. Stillwell of New York city that he resign. The governor acted on a complaint made by George H. Kendall, president of the New York Bank Note company, alleging that Stillwell demanded money of him to pass certain stock exchange reform legislation.

Senator Stillwell introduced the stock exchange bills recommended by Governor Sulzer and is chairman of the senate code committee, to which several of the measures were referred.

Telegram of Kendall.

Governor Sulzer made public the following telegram from Mr. Kendall:

"I offer you evidence that Stillwell, the man you sent to draw my stock exchange bill, charged me $250 for drawing it. He introduced me to Senate Revision Clerk Lewis and asked me to send check for that amount to him and they divided the proceeds of check. I offer you evidence that Stillwell wrote me March 21 to come to his office next day and demanded $500 each for four senate committeemen to report the bill out of committee.

"I said that would do no good unless the assembly committee reported it, and he said he would canvass them next day and send me a wire so that I would understand how much it would cost. I offer you evidence of the amount, namely $1,500, in his telegram.

"I declined his proposition. He called me up next day and told me there was nothing doing unless I paid $3,500 in advance.

"I replied I would telegraph the whole matter to you and every legislator unless he reported the bill out in twenty-four hours. He did it. Under same penalty I demanded of him that my bill be reported out of the assembly committee immediately, and it was done in forty-eight hours.

"I think I ought to let you know anyway. If you want some hearsay evidence of the Stock exchange using a large amount of money to defeat the incorporation bill I am willing to tell you what Stillwell told me. No newspaper has anything of this."

"Nothing to It," Stillwell.

Senator Stillwell, when shown the Kendall telegram to Governor Sulzer said:

"The fact that Mr. Kendall's telegram ends with the words 'no newspaper has anything of this" is the best evidence of the reason why Governor Sulzer and Mr. Kendall bring out this telegram at this time.

"The hearing on the Stock exchange incorporation bill takes place tomorrow afternoon before the senate judiciary committee, and I suppose Governor Sulzer imagines that the effect of this telegram will compel the judiciary committee to report his incorporation bill. The entire story is so false and so absurd that it is scarcely worth replying to."

The governor turned the matter and all the papers over to Attorney General Carmody with instructions to take such action as the facts warranted.

As soon as Mr. Carmody examines the memorial submitted to him by the governor and Mr. Kendall he will turn it over to the state senate for action. Mr. Carmody advised Governor Sulzer to demand Senator Stillwell's resignation.

MRS. PANKHURST INDICTED

Suffragette Leader Charged With Incitement to Commit Damage.

London, April 2.—A true bill against Mrs. Emeline Pankhurst was returned by the grand jury at the Old Bailey sessions on the charge of incitement to commit damage. Mrs. Pankhurst was arrested on Feb. 24 in connection with the destruction of the country residence of Chancellor Lloyd-George. She stated at a public meeting that she had conspired with and incited her followers to commit the outrage. The offense is punishable with penal servitude for a maximum term of fourteen years.

Money in Treasury Is Being Counted.

Washington, April 2.—The money in the treasury is again being counted but this time, with the exception of the cash in the teller's room, it is being counted by bundles. With the induction into the office of a new treasurer of the United States, the money in the treasury has to be checked up and the induction of ex-Governor Burke of South Dakota, as treasurer under President Wilson, has proven no exception to the rule.

Chicago Painters Go on Strike.

Chicago, April 2.—Five thousand union painters, paperhangers and decorators went on a strike here and as a result the annual decorating of thousands of business buildings and homes will be indefinitely delayed. The men demand an increase of 5 cents an hour. Some of the smaller contractors have signed the union agreement and there are about 4,000 men still at work.

262 VOTES CAST

QUIETEST ELECTION IN YEARS HELD TUESDAY.

TAX LEVY WAS CARRIED

171 For to 68 Against—Only One Vote Cast in City Against Non-Partisan Ticket.

The city and school election Tuesday was the quietest one that has ever been held in Maryville in recent years. The total number of votes cast was 262, while the total vote for the school ticket was 246. The vote for the usual school levy was 171 and the vote against it was 68. For members of the school board, James B. Robinson and J. R. Brink had no opposition and their total vote was: Robinson 246, Brink 244.

For alderman in the First ward, Mose Hahn was elected, and there was not a single vote against him. In the Second ward, J. D. Ford was elected, not a vote being cast against him. In the Third ward, John Gray received all of the votes cast in the ward. In the Fourth ward, Louis Gram received 100 votes, while Pat Dougan received 1 vote. The newly elected aldermen will take their places at the regular meeting of the council in May. The vote by wards follows:

A Correction.

A mistake was made in Monday's Democrat-Forum, when the statement was made that Evangelist Joe Jacobs is not an ordained minister. The reporter had a wrong impression of Rev. Jacobs' work, having understood that he was a business man, who gave up his work to assist in carrying out the work of the Baptist Publication society, which is partly true. Rev. Jacobs gave up his work as a traveling salesman about twenty years ago and was ordained as a minister. He preached as pastor at Evansville, Ind., before taking up the work of chapel car evangelist, and is regarded as one of the best evangelists in the Baptist denomination.

Miss Ruby Lorance returned to her school work at Plattsburg Tuesday after a short visit with her parents, Mr. and Mrs. J. A. Lorance, which she made during the spring school election.

TO GO TO GETTYSBURG.

State Will Pay Transportation of Civil War Veterans to That Place in July.

The state will pay the transportation of civil war veterans to Gettysburg and return next July, and Adjutant General John B. O'Meara has named Col. Thomas B. Rodgers of St. Louis to act with General W. T. Towson on the board to pass on the qualifications of these civil war veterans.

The legislature passed the bill introduced by General Tawson of Shelby county, appropriating $15,000 for this purpose. The occasion for which the trip will be made is the fiftieth anniversary and peace jubilee of all soldiers who participated in the battle of Gettysburg July 1, 2 and 3, 1863.

It is estimated there are about 500 veterans living in Missouri who participated in the battle and who will require financial aid if they go to Gettysburg. No part of the Missouri army took part in the battle, which was between the armies of the Potomac on the north and northern Virginia on the south.

Many, however, since have come to live in Missouri. Some are able to pay their own way, and these the state will not aid. Almost every state in the Union has made similar appropriations for the celebration. The federal government subscribed $150,000 and Pennsylvania $250,000.

Of the 500 expected to go from Missouri, about fifty will be ex-confederates and the rest northern soldiers. General Towson was a confederate and Colonel Rodgers was a northern soldier.

DO NOT EAT TOO MUCH.

It is a Well Established Fact That the Majority of People Eat Too Much.

In the April Woman's Home Companion apepars an interesting article entitled "A Healthy Mind in a Healthy Body." Following is an extract

"It is a well established fact that the majority of people eat too much. They take more food, especially with under-exercise, than the body can assimilate, and the result is superfluous fatty deposits. This is especially true around the middle age, when the body is no longer growing, and hence does not require the amount of food it required when the process of growth as well as of waste was going on. The result is the taking on of superfluous flesh, the tendency to exercise still less, degeneration of the heart muscles, hence impaired breathing, which deprives the body of one of its greatest sources of strength and energy.

"An abundance of pure air with full deep breathing, and especially out-of-door air, is one of the first essentials of sound health and of unimpaired vitality. If this can be combined with adequate daily exercise in the open, whether it take the form of work or of play, and if the exercise is as simple even as that of walking, so that it is done regularly and with the right spirit and purpose back of it—an alert and purposeful mind—so much the better.

"Sleep is nature's great restorer—one of the great rebuilders of both mind and body. When we rob them of their required amount, we are thereby contracting bills that will present themselves for settlement sooner or later, but without fail. It may seem for a while that no account is being kept—but believe me, it is."

STREETS ARE CLEAN

MARYVILLE DOING HER SPRING HOUSE CLEANING.

THE ALLEYS ARE NEXT

In Addition to Having Dirt Hauled Off, Paving is to Be Washed—Householders Must Clean Up.

The streets and alleys of the city are being cleaned, and within the next few days all of the streets and alleys will be washed with city water. The street commissioner, M. I. Woods with a gang of thirteen men and twelve teams, have gone over all of the paved streets and have hauled away the mud and other trash. Now the street commissioner is cleaning up the alleys.

When this work is done Street Commissioner Woods thinks Maryville will be as clean as any town. He would like to see the property owners clean up their places so Maryville would be as "spotless" as possible.

For some time there has been complaint that the streets and alleys were dirty and more so than you could find elsewhere. But Mr. Woods says that when the present work of cleaning up is finished that Maryville streets will be far ahead of the streets in other places.

It is hoped that the city will keep up their good intention of cleaning the streets and alleys once in a while, as there is nothing better than clean streets.

Mayor A. S. Robey said Wednesday that all persons caught piling rubbish leaves, litter and all refuse material in the streets and alleys of the city are liable to a fine or jail sentence, according to the provisions of a city ordinance. And the city is going to enforce this ordinance, Mayor Robey said.

SOIL SURVEY IN NODAWAY.

A Number of Counties Will Be Surveyed During the Coming Summer.

The University Missourian at Columbia had the following in Tuesday's issue:

The United States department of agriculture will issue a report in the near future on a soil survey of Franklin county, made by the bureau of soils in co-operation with the college of agriculture of the University of Missouri.

The purpose of the soil survey work is to establish the identity, location and extent of the various types of soils in the county, that recommendations as to the best methods of soil management and crop rotation to be practiced on each type of soil to get the best returns, may be made. The report treats on the soils of the county in general, the climate, rainfall and drainage and transportation facilities. Surveys will be made in Nodaway, Ralls and Perry counties the next summer. A. T. Sweet and W. B. Tillman of the United States governmnt service will be in charge of the work in Ralls and Perry counties. H. H. Krusekopf of the college of agriculture will work in Green county. A number of students of the college of agriculture will be chosen as assistants in the soil survey work.

Survey of about thirty counties in Missouri have been made. After these are made the agronomy department takes charge of experimental work in some of the counties.

After next summer the soils of the counties in the southeastern part of the state will be made.

Oil and Gas Near Parnell?

L. B. Cramer, Marietta, O., is at Parnell to get leases on land in that vicinity for the purpose of boring for oil and gas. He asks no bonus. The company he represents will put all the machinery on the ground and do the boring, and should oil or gas be struck the owners of the land will be given the regular rates for leases. He has been in the business for a number of years and he thinks there is oil and gas in that vicinity. He is working in the interest of a Pittsburgh, Pa., company.

Saw a Part of the Tornado.

Mr. and Mrs. W. H. Chaney of Hopkins were in Maryville Tuesday, returning home from a visit with relatives and friends at Barnston, Beatrice and Lincoln, Neb., and Atchison, Kan. The visitors were in Barnston at the time of the tornado that swept Nebraska towns and a part of Omaha. Although Barnston did not suffer as other towns nearby, the storm was severe enough to thoroughly frighten the people and many a door and window on the storm side was kept in place by strong bracing on the inside.

Mrs. J. E. Babb returned to her home in St. Joseph Tuesday evening, after a few days' visit with her parents, Mr. and Mrs. William Mann.

Mrs. C. J. Caldwell of Burlington Junction was in Maryville shopping Tuesday.

OUT OF BUSINESS

INSURANCE COMPANIES WILL RETALIATE ON STATE.

LEAVES THEM UP IN AIR

New Laws Affecting Insurance Rates Not Satisfactory to Companies—They Will Withdraw.

Representatives of fire insurance companies in Missouri met at Chicago yesterday and recommendd a suspension of business in this state until legal basis of their operation can be determined. The fire insurance men asserted that the repeal of the Oliver state rating law by the Missouri legislature and the passage of an amendment to the anti-trust law relating to fire insurance had renderd the status of the business uncertain in the state.

The attorney general of Missouri announced that unless the fire insurance companies immediately reduce their rates in accordance with the law he would begin criminal proceedings against them. The insurance men declared the new law is unduly severe and that an understanding must be reached under which they can do business or their withdrawal from the state will result.

TWENTY-NINE IN MARCH.

Last Month Marriage Licenses Greater Than For March in 1912 and 1911.

There were twenty-nine marriage licenses issued during March by Recorder J. Arthur Wray. For March, 1912, there were twenty-three, and for March, 1911, there were twenty-one. The month of April is starting off well as four licenses were issued on the first day of the month.

Visited New Niece.

Mrs. E. O. Wright of Bedison returned home Wednesday from a short visit at the home of her mother, Mrs. Rebecca Gray, to see her little new niece, the daughter of Mr. and Mrs. Jesse Watt, who are at Mrs. Gray's home.

Well at Ninety-One.

Mrs. George Rasco and S. H. Rasco of Barnard were Maryville business visitors Tuesday. Mr. Rasco, has entirely recovered from his illness, and although 91 years old, he is enjoying life splendidly.

Moving to Texas.

Mr. and Mrs. D. H. White and daughter left Tuesday evening for Harlengin, Texas, to make their home. Mr. White has purchased a farm near Harlengin.

No Place Like Missouri.

We often hear about Missourians leaving for other regions, but we seldom learn what they really think after they have become acquainted with their new homes. A former Missourian who has moved to California writes the Missouri Ruralist: "I can't see that they make any more on their orchards than the farmer when you take into consideration the interest on the valuation of from $1,500 to $2,500 per acre, beside the great expense in irrigating, tending and picking, yet that is all the land is good for. If this same land laid in Missouri and was government land one-half of it would not be filed on as it is worthless without water on it. I do not want any orange or lemon orchard. I want to see some Missouri snow. Outside of the climate, which is truly great here, I can find nothing unless it is the fine roads here that would make me want to stay."

A Convenience to the Girl.

In an article entitled "The Social Problems of a Girl," in the April Woman's Home Companion—an article filled with practical suggestions—appears the following:

"The telephone has introduced a new element into calling. Nowadays a man does not usually take his chance of finding a girl at home as he had to do in former times, but calls her up to know if she will be able to receive him on a particular evening. This provides a way of escape for the girl which was unknown to women of an earlier generation, and makes it possible for her to adjust her callers to her convenience instead of taking them as they come. A girl is free to say that she can or cannot see a man at the date he names and to fix a time when she will be at home to him."

Here From Kansas City.

Mrs. J. O. Hiatt of Kansas City arrived Wednesday on a visit to her parents, Mr. and Mrs. Lemuel Woodworth.

Mrs. G. H. Leech and son, Kenneth, went to Pickering Tuesday to visit Dr. Leech's parents, Mr. and Mrs. C. B. Leech.

THE OWLS HAD BIG TIME.

A Big Rally Held in Their New Quarters Tuesday Night—Eighty New Members Initiated.

The Owls had a big time Tuesday night as it was their first meeting night in their new quarters in the old skating rink. The room has been fitted up nicely. Over eighty new members were initiated and after the lodge, a wrestling match was put on by Steve Viles and Robert Darling. Viles won the two falls. After the match, a banquet was served, there being about 300 diners in attendance.

NEW PAPER AT CLEARMONT.

The Ledger, Which Suspended Publication, to Be Started Again.

The Clearmont Ledger, which suspended publication a few weeks ago, is to be re-established and the first paper will be issued Friday. The new owner and editor of the paper is J. T. Boyd, who has been in the newspaper business for twenty years. Rev. C. H. Owens, pastor of the Baptist church at Clearmont, was the editor of the paper up to the time it suspended publication.

Attending Shorthorn Sales

SPRING IS HERE

ITS HARBINGER CAN BE FOUND AT NORMAL.

BASKET BALL SHELVED

Base Ball and Tennis Hold Affections of Athletes—New Courts to Be Laid Out.

With the coming of the "balmy spring days" the students at the Normal who are athletically inclined have forsaken the gymnasiums for recreation in the open air. Base ball practice was inaugurated Monday afternoon and Wednesday morning about three dozen people, including both students and members of the faculty, met and organized a lawn tennis association. Fred Hutchinson was elected president and Miss Francyl Rickenbrode was elected secretary-treasurer.

Only one outdoor court is available at the present time, but a committee has been appointed to arrange for several new courts. There is room in the girl's gymnasium for a near-regulation court, and several of the more radical fans have been playing there for the past two weeks. Later in the season a tournament to determine the champions in both singles and doubles will be staged.

BIBLE IS TRUTH.

Eloquent Sermon at M. E. Church, With Truth of Bible as Groundwork For Faith.

The sermon at the M. E. church in part last night was.

Text, "Thy word is Truth"—John 17:17.

If God's word is truth, there are several important implications. It will abide and we need not fear the researches of modern scholarship. Things will remain not simply because they are in the Bible, but because they are the truth.

Those who possess this truth ought to be enthusiastic in its extension. If those who have a half truth are so energetic how much more ought we who have the truth of Christ in our hearts to tell our story.

Men ought to obey the truth. Your house will stand the test of time if it is built upon the solid rock of truth. But build it upon the shifting sands of falsehood and error and the floods and the winds beating upon that structure will cause it to fall.

The evangelistic services are beginning to bear visible fruit in the homes of the church and in the addition of some to His kingdom. These are days of prayer, testimony and thinking on the part of those who are attending, and such devotion cannot go unrewarded.

Services at 7:30 tonight. You are cordially invited.

Mrs. Sarah Lambert of Bedford, Ia., was in Maryville Tuesday on her way to Parnell to attend the funeral of her brother, George Hanks, who was killed by a hay baler at Adair, Ia., Saturday.

Mrs. John Messbarger and son of Burlington Junction spent the day Tuesday in Maryville with her sister, Miss Frances Berg, who is attending the dressmaking school.

Mrs. Peter Michaelson of near Maryville went to Arkoe Tuesday to visit friends a few days.

EXPRESS COMPANIES HIT

Suffer Loss of 25 Per Cent From Parcel Post Rates.

Washington, April 2.—Express companies of the country have been hit hard by the operation of the new parcel post system, according to statements submitted to the interstate commerce commission by counsel for the companies in their final arguments against the reduction on express rates proposed by the commission. It was declared that the companies have suffered a loss approximating 26 per cent on small package business and about 6 per cent of the gross revenues of the company.

Walker D. Hines asserted that for the five companies he represented—the Adams, American, United States Southern and Wells Fargo—application of the proposed rates to present business would reduce revenues about $26,000,000 a year, or 5.85 cents on every dollar's worth of business done. Such a reduction in revenues, he said would be absolutely destructive.

B. F. Fairchild of the New York chamber of commerce attacked Mr Hines' argument as "purely theoretical and hypothetical" and insisted that the proposed rates would yield an ample revenue to the express companies.

He maintained also that the present allowances made by the express companies to the railroads for transportation service were excessive.

Bryan Abolishes Overtime Work.

Washington, April 2.—Elevator operators in the state department no longer will be compelled to remain on duty overtime while the secretary of state is in the building. Secretary Bryan believes that when an elevator conductor has worked eight hours it is about time for him to quit for the day. Incidentally he is of the opinion that walking down a double flight of stairs will work no great hardship on any governmental official.

Hyomei Inhaler For Catarrh? If You Own One

When you ought to know that druggists everywhere will hand you a bottle of Booth's HYOMEI for only 50 cents. Pour a few drops of HYOMEI into the inhaler and start this very day to breathe the healing Balsamic vapor and destroy the Catarrh germs.

With every package of Booth's HYOMEI comes a little booklet which explains how easy it is to end the misery of Catarrh and Croup. It is made of Australian Eucalyptus and contains no harmful drug.

But best of all Orear-Henry Drug Co. are authorized to refund your money if you are dissatisfied. If you haven't the HYOMEI inhaler ask for the complete outfit, $1.00. Just breathe it—no stomach dosing.—Advertisement.

Miss Bertha Merrigan went to Clyde Wednesday to be a guest at the wedding dance Wednesday night at Clyde hall, given for Mr. and Mrs. John Merrigan and Mr. and Mrs. John Farnan, who were married Wednesday morning at Stanberry. Miss Merrigan will be the guest of her aunt, Mrs. James M Enis.

Birthday Surprise.

A delightful surprise was given Mrs. Bert Charles of this city on Tuesday, her birthday anniversary. When she came home at noon she found dinner ready and company ready to be seated that included her mother, Mrs. Jacob Shockley, and her four sisters, Mrs. Clarence Charles, Mrs. William Ramey, Mrs. Ves Moody, Miss Marie Shockley, and two nieces, Hazel May Moody and Opal May Ramey.

Married at Minister's Home.

Miss Iva L. Hanna and Mr. Leslie E. Taylor of Pickering were united in marriage Wednesday afternoon at 1 o'clock, at the home of the officiating minister, Rev. J. D. Randolph, pastor of the Buchanan Street Methodist church. The bridal couple were unattended. The bride is the daughter of Mr. and Mrs. James F. Hanna of near Pickering. Mr. and Mrs. Taylor left immediately after the ceremony for the home of the bride's parents. They will be at home in a few days four miles northwest of Pickering. Mr. Taylor will farm the place of Abraham Lutz. Both are popular young people and merit the well wishes of hosts of friends.

Surprise for Teacher.

Mrs. Reuben Swain, Mrs. Elmer Newcomer and Miss Pearl Jackson of near Ravenwood planned a delightful surprise for Miss Eunice Skinner of this city, teacher of the Wilcox school, near that place, on Friday, it being the last day of school. Birthday Surprise Dinner.

Mrs. Lizzie Hillard of South Mattie street gave a surprise dinner party Monday to celebrate the eighty-second birthday anniversary of her mother, Mrs. Sarah Scoville. This was the eleventh annual dinner Mr. Hillard has given for her mother, and although the honor guest should be expecting the event each year by this time each dinner has proven a surprise for her, as the preparations have been made each time without her knowledge. At Monday's dinner Mrs. Scoville was presented a purse containing $8.75. The guests were Mrs. Scoville, Mr. and Mrs. Jacob Eisenmann, Mr. and Mrs. John Jackson and two daughters, Mr. and Mrs. Charles Culverson and son, Mr. and Mrs. Albert Hillard and children, Mr. and Mrs. George Eisenman and children, Mr. and Mrs. Dillard Green and son, Mrs. Silas Kissinger, Mrs. Dicy Conklin, Grandma Scull and Mr. and Mrs. Neal Hillard.

M. I. Circle Will Federate.

During the business session at the regular meeting of the M. I. Circle Tuesday afternoon held at the home of Mrs. W. A. Blagg, it was the unanimous decision of the members to enter the city federation as proposed to them by the women of the Twentieth Century club. The meeting was presided over by Mrs. C. B. Roberts, vice president, in the absence of Mrs. W. B. Christy, the president, who is attending the District Women's Foreign Missionary society meeting of the M. E. church at Mound City. The devotions were led by Mrs. T. H. Cook. Roll call was responded to by conundrums. Mrs. Omar Catterson read a paper on "The Wonders of Egypt," and Mrs. R. H. Duncan conducted the question box. A reading, "The Fiddling Hobo," was given by Mrs. J. F. Cook. Mrs. W. R. Wells, who has just returned from a winter's sojourn in California, gave an entertaining talk of her stay in that country. Mrs. Blagg acted as critic.

The Pony Express Unveiling.

Mrs. E. G. Orear, regent of the Maryville chapter of the Daughters of the American Revolution, went to St. Joseph Wednesday evening to be the guest of the St. Joseph chapter at a banquet Wednesday night at the Robidoux. This banquet is the formal opening event to the unveiling of the pony express monument, which will take place Thursday morning at 10 o'clock. Several distinguished men and women will be present on that occasion, among whom are Governor Elliott W. Major of Missouri, Judge John Phillips and Congressman W. P. Borland of Kansas City. The children of the founders of the express, Mrs. Martha Simpson and Mrs. William Barton, both of Kansas City, will be present. Mrs. George B. MacFarland of Columbia, state regent of the D. A. R., who visited Maryville at the time of the organization of the local chapter, will be another of the honor guests. On Thursday afternoon the same company will attend the willow pattern plate tea to be given by the regent of the St. Joseph chapter, Mrs. W. B. Norris, at her home. A feature of the unveiling ceremonies will be a chorus of 100 school children, who will sing "Missouri," the words written by Mrs. A. L. Loving and set to music by Sidney F. Collins. Congressman Borland will speak at the unveiling ceremonies. He is remembered for his famous speech on "Missouri, the Mother of Empires," delivered before the house of representatives in May, 1911.

AWAIT EXPERTS' REPORT

Friedmann's Cure for Tuberculosis Not Ready for Distribution.

New York, April 2.—The method of distributing Dr. Friedmann's vaccine for tuberculosis will not be taken up—if it is taken up at all—until the approval of the United States government is secured, according to announcement made in Dr. Friedmann's behalf.

"It is hardly probable," continued Dr. M. A. Sturm, Dr. Friedmann's assistant, who made the announcement, "that such approval will be had for several months—until the issuance of the government's report based on the observations of the government's experts who have given their undivided attention to the matter."

St. Louis Man Charged With Murder.

St. Louis, April 2.—Thomas Noonan of the fashionable west end residence district was arrested in connection with the murder of Emmet Carroll, known to the police as a member of the "bottoms gang." Carroll was lifted from an automobile shortly before midnight and left on the street, dying later from the effects of a bullet wound in the chest. The police found a blood stained, abandoned automobile at Jefferson and Cass avenue. The automobile bore the license number that had been issued to Noonan.

Sheridan Shut Off by Long Washout.

Sheridan, Wyo., April 2.—As the result of a washout near Crow agency, Sheridan during the last forty-eight hours has been as effectually shut off from railroad communication with the outside world as if situated 150 miles from the nearest railroad connection. Nearly half a mile of track was carried away by the Little Horn river. It has been repaired and trains are again running.

Church Congress Opens in Charleston.

Charleston, S. C., April 2.—With the celebration of holy communion at old St. Michael's church, the church congress, a national organization of Episcopalians, began its annual session here. The question of changing the name of the church will be debated during the sessions.

Mrs. Wesley Lett of Conception came to Maryville Tuesday to see her mother, Mrs. Mozingo, who is very ill.

CAIRO STILL FEARS FLOOD

Pressure on Levee Has Been Slightly Released.

BIG FOUR EMBANKMENT OPEN

Drainage District Opened to Flood Will Fill to Ten or Twenty Feet and Cover Seven Thousand Acres. Watching for Crest.

Cairo, Ill., April 2.—News that the Big Four levee in the drainage district north of Cairo had gone out brought no alarm here, but great anxiety is felt over the fate of the levees which protect the city proper when the crest of the Ohio river flood reaches Cairo.

The opening in the Big Four embankment is about fifteen feet wide, and the drainage district certainly will fill to a depth of from ten to twenty feet. The drainage district comprises about 7,000 acres, in which are located many big manufacturing, mail order and lumber distributing plants. The territory was flooded last year [illegible] loss by the present flood, it is said, will not exceed $1,000,000.

[illegible] flood. Future City, with a negro population of 1,500, was inundated. Many of the houses there have been unoccupied since that time and those who continued to live in the district had ample warning. It required twenty-four hours of the flood waters to fill the district last year through a break 300 feet wide, and it is estimated that the district will not fill up for more than two days if the present break is not widened.

The break will stop traffic on the Big Four railroad, as the Big Four tracks run along the top of the levee.

Watching for Crest.

The time when the flood crest will reach Cairo has not been definitely determined. The river gauge showed a stage of 53.8 feet, with the water still rising.

A weak spot was found just above Eighth street by District Superintendent Moore of the Mobile and Ohio railroad. A troop train and a passenger train were held up for more than an hour, while the place was bolstered with sand bags.

Many carloads of sand and clay have been used to strengthen the embankments and it is believed the levee in front of the business district is about as secure as it can be made. The city is virtually under military rule. Soldiers are patroling the streets and requiring all negro men who appear to have nothing to do to give satisfactory account of themselves.

With the flood waters of the Ohio close to the fifty-four-foot stage Colonel Moriarity, in command of the Illinois state troops here, took steps to protect the lives of women and children still remaining in Cairo. Sufficient river steamers have been assembled to care for all of them, it is believed. Many trainloads of refugees already have left and many have been taken to Wyckliff, Ky., on steamers. Those who remain either are poor people unable to purchase tickets to points of safety or old residents who have implicit confidence in the stability of the levees.

DAYTON IS SHORT OF FOOD

Committee Still Feeding Over Thirty Thousand Daily.

Dayton, O., April 2.—The food supply in Dayton has been overestimated according to reports received from relief stations scattered over the city. John H. Patterson, president of the relief committee, wired Secretary of War Garrison that the food situation was much worse than had been anticipated and that the committee would look to the national government for supplies.

It is estimated between 30,000 and 40,000 refugees are being fed daily. Provisions must be received in the stricken city today or suffering will follow, officials say.

Tennessee Assembly Without Quorum

Nashville, Tenn., April 2.—With a large colony of its membership at points outside the state, the Tennessee house of representatives met and adjourned without a roll call until later. A count showed sixty-one members present, five short of a quorum. Until a quorum is restored there can be no legislation. Amendment to the election laws giving the machinery into the hands of the regular Democrats is the cause of the hegira of the thirty odd Republicans and independent Democrats.

Floods in North Dakota.

Bismarck, N. D., April 2.—Great damage is being done by floods along the Cannon Ball river, in southwestern North Dakota. Railway bridges at Rogers and New England have been washed away and dynamite is being used at Mott to break up the ice in the hope that it will not dam the water there.

Mrs. Gerhart Commits Suicide.

St. Louis, April 2.—Mrs. Julia McFarland Gerhart, divorced wife of Charles B. Gerhart, brother of Frank H. Gerhart, Progressive candidate for mayor of St. Louis, committed suicide at the home of Mrs. Adeline Cox. Mrs. Cox announced that after her divorce Mrs. Gerhart married a negro.

Moving to Smithville.

S. S. Skinner and family left Wednesday for their new home at Smithville, Mo. Miss Pearl Jackson of Parnell, who has been Miss Eunice Skinner's guest, left on the Wabash train with them for her home.

Attended Sister-in-Law's Funeral.

Mr. and Mrs. W. H. Thomas of Grant City returned home Tuesday, having been called to attend the funeral services of Mrs. Johathan Stark who was the wife of Mrs. Thomas' brother.

COD LIVER OIL AND IRON.

Two Most World-Famed Tonics Combined in Vinol.

Cod liver Oil and Iron have proved to be the two most successful tonics the world has ever known—iron for the blood and the medicinal curative elements of cod liver oil as a strength and tissue builder for body and nerves, and for the successful treatment of throat and lung troubles.

Two eminent French chemists discovered a method of separating the curative medicinal elements of the cods' livers from the oil or grease which is thrown away, but to these medicinal elements ,tonic iron is now added, thus combining in Vinol the two most world famed tonics.

SCANDAL IN NEW YORK STATE

Governor Demands Resignation of Senator Stillwell.

SAYS HE ASKED FOR BRIBE.

State Senator Is Accused by President of New York Bank Note Company. Stillwell Denies the Charge Specifically.

Albany, N. Y., April 2.—Governor Sulzer made a demand upon State Senator Stephen J. Stillwell of New York city that he resign. The governor acted on a complaint made by George H. Kendall, president of the New York Bank Note company, alleging that Stillwell demanded money of him to pass certain stock exchange reform legislation.

Senator Stillwell introduced the stock exchange bills recommended by Governor Sulzer and is chairman of the senate code committee, to which several of the measures were referred.

Telegram of Kendall.

Governor Sulzer made public the following telegram from Mr. Kendall:

"I offer you evidence that Stillwell, the man you sent to draw my stock exchange bill, charged me $250 for drawing it. He introduced me to Senate Revision Clerk Lewis and asked me to send check for that amount to him and they divided the proceeds of check. I offer you evidence that Stillwell wrote me March 21 to come to his office next day and demanded $500 each for four senate committeemen to report the bill out of committee.

"I said that would do no good unless the assembly committee reported it and he said he would canvass them next day and send me a wire so that I would understand how much it would cost. I offer you evidence of the amount, namely $1,500, in his telegram.

"I declined his proposition. He called me up next day and told me there was nothing doing unless I paid $3,500 in advance.

"I replied I would telegraph the whole matter to you and every legislator unless he reported the bill out in twenty-four hours. He did it. Under same penalty I demanded of him that my bill be reported out of the assembly committee immediately, and it was done in forty-eight hours.

"I think I ought to let you know anyway. If you want some hearsay evidence of the Stock exchange using a large amount of money to defeat the incorporation bill I am willing to tell you what Stillwell told me. No news paper has anything of this."

"Nothing to It," Stillwell.

Senator Stillwell, when shown the Kendall telegram to Governor Sulzer said:

"The fact that Mr. Kendall's telegram ends with the words 'no newspaper has anything of this" is the best evidence of the reason why Governor Sulzer and Mr. Kendall bring out this telegram at this time.

"The hearing on the Stock exchange incorporation bill takes place tomorrow afternoon before the senate judiciary committee, and I suppose Governor Sulzer imagines that the effect of this telegram will compel the judiciary committee to report his incorporation bill. The entire story is so false and so absurd that it is scarcely worth replying to."

The governor turned the matter and all the papers over to Attorney General Carmody with instructions to take such action as the facts warranted.

As soon as Mr. Carmody examines the memorial submitted to him by the governor and Mr. Kendall he will turn it over to the state senate for action. Mr. Carmody advised Governor Sulzer to demand Senator Stillwell's resignation.

MRS. PANKHURST INDICTED

Suffragette Leader Charged With Incitement to Commit Damage.

London, April 2.—A true bill against Mrs. Emeline Pankhurst was returned by the grand jury at the Old Bailey sessions on the charge of incitement to commit damage. Mrs. Pankhurst was arrested on Feb. 24 in connection with the destruction of the country residence of Chancellor Lloyd-George. She stated at a public meeting that she had conspired with and incited her followers to commit the outrage. The offense is punishable with penal servitude for a maximum term of four teen years.

Money in Treasury Is Being Counted.

Washington, April 2.—The money in the treasury is again being counted, but this time, with the exception of the cash in the teller's room, it is being counted by bundles. With the induction into the office of a new treasurer of the United States, the money in the treasury has to be checked up and the induction of ex-Governor Burke of South Dakota, as treasurer under President Wilson, has proven no exception to the rule.

Chicago Painters Go on Strike.

Chicago, April 2.—Five thousand union painters, paperhangers and decorators went on a strike here and as a result the annual decorating of thousands of business buildings and homes will be indefinitely delayed. The men demand an increase of 5 cents an hour. Some of the smaller contractors have signed the union agreement and there are about 4,000 men still at work.

Miss Lora Gregory of Hopkins returned home Wednesday from a visit with her sister, Mrs. Jack Glenn of Burlington Junction.

Mrs. Paul Ream of Kansas City arrived Tuesday noon on a vist to her father, Joseph Jackson, Sr., and family.

Mrs. Tempa McBridge of Hopkins went to Columbia Tuesday to visit her parents, Mr. and Mrs. N. G. M. Davis.

Yours for 3 Cents a Day

Please let us convince you that all sorts of home comforts can be had here on charge account.

We let you pay as convenient—a little each month—without any rigid rules. We allow extra time when needed. No interest, no extra price. We ship goods on 30 days' trial, subject to return. You have a whole month to decide if you want them.

We do all this, and yet we save you from 30 to 50 per cent. And that saving is guaranteed.

A Million Homes Buy Here on Credit

A million homes with modest incomes have charge accounts here now.

4,782 Bargains We Give 1 Year to Pay

Furniture	Silverware
Carpets—Rugs	Chinaware
Linoleums	Sewing Machines
Stoves—Trunks	Kitchen Cabinets
Baby Cabs	Cameras—Guns
Refrigerators	Trunks, etc.

There was no red tape, no publicity. We asked for no contract, no mortgage.

Not one of those homes ever saw our collector, for we have none in our employ. They simply pay as they can, and we trust them.

Perhaps many of your friends have beautiful homes which were furnished by us for 2 or 3 cents a day. And, if you asked them, they would tell you to buy on credit too.

Dollar Book Free

Our Spring Bargain Book is a mammoth production. It pictures 4,782 things for the home—the largest exhibit ever brought together. Many of the pictures are in actual colors. Each book with the mailing costs about $1, yet we send it free. The prices quoted show you a saving of 30 to 50 per cent. That we guarantee. Goods may be returned at our expense if the saving is not what we claim.

We take whole factory outputs. We buy up surplus stocks. We sell by mail only, and all these savings come off the price to you.

See this wonderful book. Cut out this coupon, send it to us, and the whole complete book will be mailed you free. Do this now—before you forget it.
